Introduction:

The students are expected to conduct themselves in a disciplined manner and to acquire that nature and responsible outlook about life, which is expected of them when they enter their professional careers. Any violation of the Disciplinary Rules and Regulations within this policy can render a student liable to punishment. In this regard, they are required to abide by the Disciplinary Rules and Regulations as well as Codes of Conduct.

Scope:

The Disciplinary Rules and Regulations shall apply to all students (both current and future) enrolled in Jinnah Medical College (JMC), Peshawar, and its associated Allied Schools (AS), regardless of their session status.

Disciplinary Rules and Regulations:

These rules and regulations aim to achieve and sustain discipline among students. They will create an environment where students feel safe and secure in their academic journey, where diverse social, cultural, religious, ethical, and ethnic norms, values, and beliefs are respected, and where the smooth and conflict-free operation of academic, research, and administrative activities at the Institute is ensured.

The college has to Take Disciplinary Measures:

- i. Disciplinary action may be taken against any student (enrolled in or registered at JMC or its associated Allied Schools) found guilty of misconduct.

Jurisdiction of the Disciplinary Rules and Regulations:

The jurisdiction of these rules covers the entire Institute’s premises. However, the Institute has to take disciplinary action against a student in respect of any misconduct wherever it may have taken place. In this regard, these rules are also applicable to any misconduct on part of the student committed off campus that has a direct connection with:
